Cinco de Mayo Celebration!

Woodville Elementary School held a Cinco de Mayo celebration on Wednesday, May 4th. Students and staff participated in the celebration by competing in a variety of activities. Everyone did an outstanding job in making this year's celebration a success. Many of the students and staff members also dressed in the traditional style of the Mexican culture.

The highlight of the celebration was the performance by the Folclórico Dance Group from Porterville Unified School District.

It was an honor hosting this wonderful group. Special thanks to the students and Mr. John Gonzalez, Program Director.

Food Link Incorporated has change their delivery to Woodville School.

When:

- 2nd Wednesday of each month

Time:

- 3:30PM to 5:00PM

STEP UP TO THE CHALLENGE!

The end of our school year is less than a month away! Did you "Step up to the Challenge" and did you do your best this school year?

The great civil rights activist, Cesar Chavez, was a true believer that education of our youth was the most important responsibility of our nation. One of his most inspiring quotes was "Si Se Puede". At Woodville Elementary we challenge all our students to do their best! "IT CAN BE DONE"
