REQUEST FOR QUALIFICATIONS

ALL CONTACT REGARDING THIS REQUEST FOR QUALIFICATIONS MUST BE MADE TO Dr. Garcia AT Woodville School AND RECEIVED BEFORE 2/5/15

OVERVIEW

Woodville Union School District (WUSD) seeks submittal of qualifications from interested firms capable of designing and implementing energy conservation, energy efficiency, energy generation and other energy related capital improvement services as described within this Request for Qualifications (RFQ). WUSD expects major reduction in annual utility costs through the implementation of these services. It is our intent to enter into an agreement with the successful firm to conduct a District-Wide Energy Conservation/Efficiency Audit, and award contract(s) to implement cost-effective energy retrofits.

RFQ Issued + 2 Weeks	Deadlines for questions and information requests
RFQ Issued + 3 Weeks	RFQ Due Date
RFQ Issued + 4 Weeks	Interviews (At District's Discretion)
RFQ Issued + 5 Weeks	Announcement of Award

BACKGROUND

Woodville Union School District is home to one school site. Our students range from kindergarten through 8th grade. A list of sites is attached in Appendix A.

QUALIFICATIONS

WUSD may award a contract to the Energy Services Company (Provider) that, in its sole opinion, is the most capable of providing the range of services described in the RFQ, and in the long-term best interest of the District. To be considered for this project a provider must demonstrate knowledge and experience in similar projects:

- Adequate financial resources to support the range of alternatives anticipated
- California K-12 references that can attest to the quality of the Provider's past work
- An established record of technical performance on typical projects within California
- A proven record of on-time and on-budget performance
- Excellent safety record
- Established records of the Provider's ability to complete the work
- Credentialed, trained, and knowledgeable staff
- Competent management support at all levels

- Ability to effectively communicate with WUSD Board, administration, staff, students, and community as needed

WUSD reserves the right to investigate the qualifications of all Providers under consideration and to confirm any part of the information furnished, or to require other evidence of managerial, financial, or technical capabilities that are considered necessary for the successful performance of the possible energy design-build services.

SERVICES REQUESTED

WUSD is interested in the identification, engineering, design, installation, training, maintenance, and financing of approved Energy Projects for all of its facilities. If WUSD contracts project financing through the Provider, financing shall be structured so that costs are paid by the utility cost savings and/or Proposition 39 funding associated with the energy conservation program. The District will choose the amount financed, if any.

Upon selection, the Provider shall perform an Investment Grade Energy Audit of the specified facilities. The audit must be of acceptable quality to WUSD's Governing Board and meet Proposition 39 mandated requirements.

WUSD shall have 45 working days in which to accept the energy audit or to request changes or additions to it. Changes or additions will be negotiated in good faith. If the parties cannot agree to the content of the audit within 60 working days from the date the request for change is made, the Governing Board, at its sole discretion, may cancel negotiations with the Provider, terminate the contract, and enter into negotiations with other Providers.

The following technologies and/or energy management approaches serve as examples of solutions to be considered under this RFQ:

- Energy management and/or local HVAC control systems (must be "open platform" and not proprietary)
- Lighting replacements and retrofits
- HVAC replacements/upgrades/modifications/commissioning
- Renewable Generation Systems
- Electrical system upgrades

Other Energy Projects proposed by Provider will also be considered. All equipment provided by the Provider for this program shall have a history of successful operating experience in similar installations and shall be in new, unused condition. This equipment shall be current technology with readily available non-proprietary replacement parts. All equipment used for this program shall be approved by WUSD prior to installation.

SUBMITTAL EVALUATION PROCESS

Providers will be evaluated and preference given to those that illustrate demonstrated range of services, innovative approaches, technical and contractual solutions, additional services, and flexibility developing and implementing successful projects.

WUSD will address the following criteria in evaluation of submittals in order to gauge the ability of the Provider. The same general criteria will be used to judge both the submittal and the interview, should WUSD choose to conduct interviews with Providers.

Criteria Explanation Weight

1. **Merit of Submittal (10pts)**
General thoroughness and responsiveness of the submittal.
2. **Knowledge and Expertise of Personnel/Firm (25 pts)**
Capability of personnel/firm; demonstrated experience of Provider's team; firm's qualifications.
3. **Understanding of Project and Technical Approach (25 pts)**
Knowledge of project requirements; comprehensiveness of approach; responsiveness to specific concerns in the RFQ; flexibility to accommodate needs of WUSD; ability to communicate effectively with District staff and related parties.
4. **Record of Past Performance and Experience (40 pts)**
References; quality of past projects; demonstrated ability to complete work tasks within project timelines and budget; quality of submitted work samples.

WUSD reserves the right to:

- Reject any or all submittals at its sole discretion.
- Cancel the Request for Qualifications (RFQ).
- Modify any requirements contained within the RFQ and request a revised submission from all providers.
- Establish other evaluation criteria determined to be in the best interest of WUSD.
- Contract with any of the firms responding to this RFQ based solely upon its judgment of the qualifications and capabilities of the firm.

A Selection Committee, as deemed necessary, will be formed to evaluate the submittals. Composition and creation of this committee, should one be formed, is at the sole discretion of WUSD. The Selection Committee may review the submittals for format to ensure conformance with the requirements of the RFQ and may select finalist to interview with the committee as part of the evaluation process. WUSD does not guarantee that an interview will take place, thus reserving the right to select a Provider based solely on the information provided in the submittals received in response to the RFQ. Should an interview take place, the key personnel responsible for fulfilling the requirements of the project shall be required to be present for the interview. WUSD will take all steps necessary to ensure that any discussions and interviews conducted in connection to this RFQ will be done in a fair and impartial manner.
